CLERK U.S. DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
CLEVELAND

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF OHIO

JIMMY GREATHOUSE,	)	CASE NO. 1:05 CV 2238
	)	
Plaintiff,	)	JUDGE DONALD C. NUGENT
	)	
v.	)	
	)	<u>MEMORANDUM OF OPINION</u>
THE DOLLAR GENERAL STORE,	)	<u>AND ORDER</u>
	)	
Defendant.	)	

On September 22, 2005, plaintiff pro se Jimmy Greathouse filed this in forma pauperis action against The Dollar General Store. The complaint alleges plaintiff and a manager at one of defendant's stores got into a dispute concerning an item plaintiff sought to return, and that the manager called the police. Plaintiff was thereafter banned from the premises. He asserts that defendant conspired to "discriminate" against him and to violate his civil rights. For the reasons stated below, this action is dismissed pursuant to 28 U.S.C. § 1915(e).

Although pro se pleadings are liberally construed, Boag v. MacDougall, 454 U.S. 364, 365 (1982) (per curiam); Haines v. Kerner, 404 U.S. 519, 520 (1972), the district court is required to dismiss an action under 28 U.S.C. § 1915(e) if it fails to state a

claim upon which relief can be granted, or if it lacks an arguable basis in law or fact.<sup>1</sup> Neitzke v. Williams, 490 U.S. 319 (1989); Lawler v. Marshall, 898 F.2d 1196 (6th Cir. 1990); Sistrunk v. City of Strongsville, 99 F.3d 194, 197 (6th Cir. 1996).

Principles requiring generous construction of pro se pleadings are not without limits. Beaudett v. City of Hampton, 775 F.2d 1274, 1277 (4th Cir. 1985). A complaint must contain either direct or inferential allegations respecting all the material elements of some viable legal theory to satisfy federal notice pleading requirements. See Schied v. Fanny Farmer Candy Shops, Inc., 859 F.2d 434, 437 (6th Cir. 1988). District courts are not required to conjure up questions never squarely presented to them or to construct full blown claims from sentence fragments. Beaudette, 775 F.2d at 1278. To do so would "require ...[the courts] to explore exhaustively all potential claims of a pro se plaintiff, ... [and] would...transform the district court from its legitimate advisory role to the improper role of an advocate seeking out the strongest arguments and most successful strategies for a party." Id.

Even liberally construed, the complaint does not contain

---

<sup>1</sup> A claim may be dismissed sua sponte, without prior notice to the plaintiff and without service of process on the defendant, if the court explicitly states that it is invoking section 1915(e) [formerly 28 U.S.C. § 1915(d)] and is dismissing the claim for one of the reasons set forth in the statute. McGore v. Wrigglesworth, 114 F.3d 601, 608-09 (6th Cir. 1997); Spruytte v. Walters, 753 F.2d 498, 500 (6th Cir. 1985), cert. denied, 474 U.S. 1054 (1986); Harris v. Johnson, 784 F.2d 222, 224 (6th Cir. 1986); Brooks v. Seiter, 779 F.2d 1177, 1179 (6th Cir. 1985).

allegations reasonably suggesting plaintiff might have a valid federal claim. See, Lillard v. Shelby County Bd. of Educ., 76 F.3d 716 (6th Cir. 1996) (court not required to accept summary allegations or unwarranted legal conclusions in determining whether complaint states a claim for relief). As this is the second action filed by plaintiff against this defendant to be summarily dismissed,<sup>2</sup> plaintiff is hereby forewarned that the United States Court of Appeals for the Sixth Circuit has approved enjoining vexatious and harassing litigants by requiring them to obtain leave of court before submitting additional filings. Filipas v. Lemons, 835 F.2d 1145 (6th Cir. 1987).

Accordingly, the request to proceed in forma pauperis is granted and this action is dismissed under section 1915(e). Further, the court certifies, pursuant to 28 U.S.C. § 1915(a)(3), that an appeal from this decision could not be taken in good faith.

IT IS SO ORDERED.
